# About The Wheel Hub

---

Because we've got over 40 years experience in the UK and European wheel markets, The Wheel Hub is perfectly placed to make everything as easy as possible. We are a single point of supply for all your commercial wheel needs, with the technical know-how to find the right solution - whatever issues you throw at us!

We're friendly, responsive and expert.  
**Welcome to a better way to buy your CV wheels.**
